Re: Freddy Modica

Dear Mr. Aaron:

Thank you for the confidential record sheet concerning Freddy Modica, Culmaster of Pack 494. We have placed this information in our file and have taken steps to have his name deleted from our records.

We do, however, need more substantiating information that will support our placing this man on the Confidential File. We would appreciate a copy of the court record after Mr. Modica's trial and any newspaper articles available. This information is most important for future reference purposes and it would certainly strengthen our position of refusing to accept any future application for registration we might receive from this individual.

Unless we receive the above requested material, it will be difficult to keep this man's name on the Confidential File.
